

*Application No. 09/414,483
Office Action dated December 8, 2009
Response dated July 29, 2010*

REMARKS

Re: Claims 53 to 58

Applicant notes with appreciation Examiner's indication that claims 53 to 58 are allowable.

Re: Claims 63 and 64

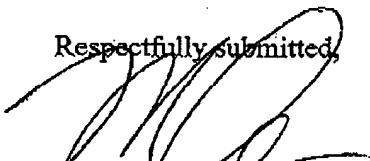

Examiner alleges that the subject matter of claims 63 and 64 is rendered obvious by United States Patent No. 4,676,038 to Doyon et al. in view of United States Patent No. 3,609,936 to Toscano.

In response claims 63 and 64 have been cancelled without prejudice and Applicant reserves the right to file these claims as part of a continuation application.

Conclusion

It is believed that the application is now in order for allowance.

Respectfully submitted,

Norman M. Cameron
